# Breast Health: Awareness and Choices

Harriet Borofsky, M.D., and Andrea Metkus, M.D., leaders in the San Mateo County Loves Its Women campaign\* will share the latest in breast cancer detection and treatment technology.

## October 17, 2011 6 pm

*\* Local businesses, organizations and Mills-Peninsula's Women's Center are working together to urge women in our community to get the annual mammogram that can save their lives during October, Breast Cancer Awareness Month.*
